

# The Token Hunter

## Forty Years

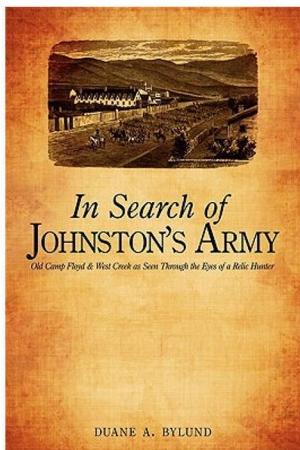

National Utah Token Society

Next Meeting: Sept. 22, 2022 7 PM  
 Columbus Community Senior Center, 2531 S. 400 E., SLC 84115

### President's Message

Hi Everyone,

I hope you all are happy, healthy and hunting in this cooler September weather! The August club BBQ was a fun and successful event, thanks for your attendance. There were lots of donations for the metal detecting hunt so thanks to everyone that donated. A big shout out to all the club officers who helped out, especially our vice-president, Wade Frischknecht and his wife Linda! It was a great and memorable time!

This month, our special guest speaker is Duane Bylund who will be speaking about Camp Floyd and his book "In Search of Johnston's Army - Old Camp Floyd & West Creek as Seen Through the Eyes of a Relic Hunter" with amazing stories, photos and research. The book will be available for purchase if you're interested. It will be a fun and interesting evening with Duane so please mark your calendars!

The 2022 National Utah Token Society 40th Anniversary club coins are now available for sale and if you pre-paid, our treasurer Matt Blaser will have those for you at the meeting to pick up. If you're interested the coins are brass, copper and silver. We want to thank Don Swain for his efforts getting them produced and Chris Stapley for his winning design.

A reminder, please bring your finds from the last 2 months. The raffle will be running with some fabulous prizes as usual. We'll have usual so please bring your friends and family and if they sign up as members, you receive a silver dime and the new member receives a limited edition 40th anniversary club token. We'll see you there!
